DETAILED ACTION

Drawings

1. The drawings were received on July 3, 2006. These drawings are accepted.

Allowable Subject Matter

2. Claims 1-40 allowed.

3. The following is an examiner's statement of reasons for allowance:

Claims 1-40 are allowed because none of the prior art of record discloses or suggests a plurality of Ethernet nodes each having a first operative mode in which it may provide more power than it consumes and a second operative mode in which it may consume more power than it provides, in combination with the remaining claimed features.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Response to Arguments
